TREK TO KEDARKANTHA

THE TREK

LOCATION & BRIEF DETAILS

Embellished with stunning scenes of snow set on the trail and decorated with trees, trek to Kedarkantha is one of the most popular winter treks in the Indian Himalayas. The views of falling snow from sky and trees are just mesmerizing and adding to this, the views of Himalayan peaks make this trek a wonderful one. The peak stands at an elevation of 3810 meters above the sea level and the trail covers a distance of around 20 km. The difficulty level of the trek is moderate and is recommended for beginners as well as experienced ones. The journey to the summit offers breathtaking views of snowcapped mountain peaks, rampant greenery along the trail, beautiful landscapes, extensive variety of flora and much more.
