One of the best and memorable travel experiences I have had so far... and the reason I am able to call it memorable is ‘cos of the team that led and organized it... The maturity, patience and confidence in handling the group’s, at all circumstances is noteworthy. Right from the initial start where the slightest queries are answered patiently, to organizing everything well, is definitely to be applauded. For travel lovers like me, certain trips are like a dream come true and I realised that JustWravel is a catalyst for making dreams come true for many... and I owe it to them forever... The best part of the trip is, you travel solo and you come back with a bunch of good hearted friends and amazing memories for a lifetime... Thanks team & Wishing the entire group of JustWravel the very best... I definitely look forward to joining in for many more travels with you guys....and that decision of wanting to do more, concludes by itself that you guys are definitely best!!!

Justwravel is just what you want when you are travelling to an unknown place and with unknown people. Justwravel for me was in constant touch via what’s app right in the beginning for all my queries wrt my Spiti trip and when I think now in the hindsight, what a good decision it was. For me the must on this trip was snow and they knew i would get it and exactly where as they have consecutive trips going on. Right from day 1 to conclusion everything went as per plan with no deviation. Our tour guide Rahbar, a 22 year old lad was so professional and meticulous that he ensured punctuality at every stage, made sure we left for the treks on time so that we got to see whatever was planned as per itinerary, managed everything right from food to inland travel perfectly. Also proper advise and guidance was provided from time to time so that nobody fell sick during the course of the travel. I would definitely travel with Justwravel again and highly recommend them and their expert tour guides to others.

My friends and I recently went for a road trip to Spiti Valley with JustWravel.

Really enjoyed the trip with Piyush Rawat - our trip co-ordinator from JustWwavel. Spiti is a relatively isolated place, and the roads are not very developed. We faced some difficulties during the trip when the vehicle couldn’t move forward due to awful road condition, and we had to reach Kaza on another vehicle. The situation was handled really well and though a day was wasted due to the above issue, the itinerary was adjusted in such a way that we did not miss any place to visit and were assigned a new car the very next day. The hotels assigned were well equipped and all facilities (hot water, proper blankets etc) were provided. The hotel staff was very friendly and the food (breakfast, dinner) was also pretty good. Even the camp stay at Chandratal was very good and the tents can be termed as luxurious (there were proper beds and clean attached washrooms).

Spiti is a very beautiful place with breathtaking views. There will be some places that’ll make you speechless and you’ll want to just sit and appreciate the beauty of nature.

Would definitely plan next trips with Piyush and justwravel! :D
